2 Attendance pattern

The attendance pattern for this course is full time only.

3 Streams

- (1) Streams available for the Bachelor of Engineering are listed under the course resolution for the Bachelor of Engineering.
- (2) Completion of a stream is a requirement of the Bachelor of Engineering.

4 Cross faculty management

- (1) Candidates in this combined degree will be under the general supervision of the Faculty of Engineering and Information Technologies for the duration of the combined program.
- (2) The Deans of the Faculty of Engineering and Information Technologies and the Faculty of Economics and Business shall jointly exercise authority in any matter concerned with the combined course not otherwise dealt with in these resolutions.

5 Admission to candidature

Admission to this course is on the basis of a secondary school leaving qualification such as the NSW Higher School Certificate (including national and international equivalents), tertiary study or an approved preparation program. English language requirements must be met where these are not demonstrated by sufficient qualifications taught in English. Special admission pathways are open for mature aged applicants who do not possess a school leaving qualification, educationally disadvantaged applicants and for Aboriginal and Torres Strait Islander people. Applicants are ranked by merit and offers for available places are issued according to the ranking. Details of admission policies are found in the Coursework Rule.

6 Requirements for award

- (1) The units of study that may be taken for the Bachelor of Engineering are set out in the tables of units of study for the specialised streams from the Faculty of Engineering and Information Technologies.
- (2) The units of study that may be taken for the Bachelor of Commerce are set out in the Table of undergraduate units of study from the Faculty of Economics and Business.
- (3) To qualify for the award of the combined degree, a candidate must successfully complete 240 credit points.
- (4) For the Bachelor of Engineering, candidates must complete all units of study prescribed in the table of units for the Bachelor of Engineering stream the candidate is pursuing.
- (5) For the Bachelor of Commerce, candidates must complete 96 credit points of units of study selected from the Table of undergraduate units of study from the Faculty of Economics and Business including:
 - (a) 36 credit points of core units of study (30 junior credit points and six senior credit points); and
 - (b) a major; and
 - (c) at least 48 credit points at 2000 and/or 3000 levels.

7 Majors

Completion of a major is a requirement of the Bachelor of Commerce component of the combined degree. The majors available and requirements are outlined in the resolutions for the Bachelor of Commerce.
